* If a hand or foot is too large to fit our standard sizes of frame we would quote to have a special size made.

Family Groups (3 to 5 hands) **£70 - £120+ frame**

Price depends on number & size of hands. Groups with larger hands or more than 3 hands may need to be made as separate pieces & framed together.

Choice of colours and wording

1. Price includes choice of colour from our samples & the writing of Name, Age and Year (if wanted) in our general style.
2. As each is free hand painted & written before glaze is applied and fired, there will be variation in the style, position of wording & intensity of colour.
3. For more complex colour schemes and extra wording additional charges apply - approx. £2 per change or addition. Please ask.
4. If a previously made item is to be matched a photo of the item, or the item itself must be shown before proceeding. We will try to match it as well as possible, but can not guarantee as changes in clay, paint, the painter and firing all have a bearing on the final outcome.

*The framed prices listed are for standard sizes & styles of frame. Other sizes and styles of frame can be quoted for. There is also a Framing In the Chat Village who has a large variety of frame styles.
